“Surely God is my salvation; I will trust and not be afraid. The Lord, the Lord, is my strength and my song; he has become my salvation.” Isaiah 12:2 (NIV)

PRAISES:

Sylvia Irena Potter

Praise God that surgery for Sylvia Irena Potter went well this week. The doctor was able to get her dislocated hip back in place. She will be in a body cast for the next four months. Pray that God will grant complete healing and bestow His grace on she and her parents during recovery. Sylvia Irena is the young granddaughter of missionaries David and Sylvia Potter serving in Vanuatu, and Jim and Katherine Radcliffe who serve in Papua New Guinea.

Deng and Nhial's Marriage

“Deng and Nhial were facing marital difficulties,” said a JESUS Film team member in Sudan. “They were unfaithful to each other and did not feel they could overcome their problems. After watching the JESUS Film, they decided they were ready for a new life in Christ and a new beginning for their marriage.” Praise the Lord for the healing found in Christ for troubled marriages and for the ministry of global JESUS Film teams.

PRAY FOR: GLOBAL MINISTRY REQUESTS

Orphanage Water Well

A water well at an orphanage in a creative access area on the Asia-Pacific Region was found to be contaminated. Many children at the orphanage are sick from drinking the water. Pray that the children will quickly recover, and that the well can be repaired or a new water well drilled.

CIS Field Vacation Bible School

Pray that the children and families touched by Vacation Bible School (VBS) programs in the Commonwealth of Independent States (CIS) Field will continue relationships with their respective churches. Parents tend to allow their children to participate in VBS, but are less willing to allow them to attend church regularly. Pray that God will remove opposition to the programs and regular church attendance.
